

# Good Times You'll Remember

We are happy to accommodate your parties—no matter the occasion!

## Lower Level Rental

Our lower level can accommodate up to 250 people for a wedding reception, or a smaller party of 50 for a dinner or bridal shower. It is also a great place for hosting a corporate Christmas party or business luncheon.

Catering is available in the lower level and it has a private bar which can be set up for an additional fee.

## Spare Time Space

Have a smaller group of 25-50 and don't want to take the stairs? Make a reservation in the Spare Time and we can reserve a few tables, or the back area, for your group.

Here you'll be able to take advantage of what's on the big screen and giant Jenga and Connect Four as well.

Buffett style catering can also be served for groups.

## Child's Birthday Party

As a family fun center we are uniquely designed to provide fun for all ages.

Children's parties start at just \$40 for up to six children. That includes an hour of bowling and shoe rental, 45 minutes in one of our private party rooms, and a new bowling pin for the birthday child (which friends can sign). We provide plates, cups, napkins, and utensils and even do the cleanup!
